

COMPANY PROFILE

# Protect what matters. Move forward confidently.

Insurance solutions shaped around your life, your business and everything you are building.

**Tharaa Insurance Brokerage**

# Personal guidance. Meaningful protection.

Tharaa Insurance Brokerage helps individuals and businesses navigate the Egyptian insurance market. We assess your needs, compare suitable coverage and support you throughout the policy journey, from choosing protection to navigating claims.

## OUR VISION

To make thoughtful insurance protection accessible through trusted advice and lasting relationships.

## OUR MISSION

To connect clients with insurance solutions suited to their needs, with clear guidance and responsive support.

# Protection for every part of life.

## 01 Motor insurance

Explore vehicle protection that fits your driving needs and helps you navigate the unexpected.

## 02 Medical insurance

Health coverage options for individuals, families and employee groups.

## 03 Property & engineering

Protection for buildings, assets, construction projects and business operations.

# Protection for every part of life.

## 04 Marine & cargo

Insurance solutions for shipments, transported goods and marine risks.

## 05 Liability insurance

Coverage designed around professional, operational and third-party liability exposures.

## 06 Cyber insurance

Explore protection against digital risks and the financial impact of cyber incidents.

# A considered path to lasting value.

01

## Tell us what matters

Share your priorities, the assets you want to protect and the challenges you face.

02

## Explore suitable cover

We review your requirements and help you compare suitable coverage options.

03

## Choose with confidence

We explain the available options so you can make an informed choice.

04

## Get ongoing support

We remain available for policy questions, renewals and guidance through the claims journey.

# Your next step towards peace of mind.

**Let's take the next step.**
